Version Control: Git/GitHub, Linux

Core Knowledge: Data Structures, Algorithms, Object-Oriented Programming, DBMS, Computer Networks

Experience

Saiket Systems pvt. Ltd

Jan. 2025 – Feb. 2025

Jr. Engineer Intern – BLOG APPLICATION

Remote

- Developed a Blog Application using React Native for efficient state management, ensuring a smooth and interactive UI.
- Utilize CSS for styling and responsiveness, including hover effects and media queries. Implement JavaScript-based interactivity for dynamic behavior in web applications. Develop real-world projects like blog posts, product cards, responsive layouts, quizzes, to-do list apps, and webpage clones.

Projects

Movie Ticket Booking | *MongoDB, React.js, Node.js, Express.js, Tailwind CSS* 

- Developed a full-stack movie ticket booking platform using MongoDB, Express.js, React, and Node.js, enabling users to browse movies, view showtimes, and book tickets with real-time seat availability.
- Implemented secure authentication and authorization with JWT and bcrypt, allowing role-based access for users and admins.

TradeMitra | *MongoDB, React.js, Typescript, Express.js, Tailwind CSS* 

- Built a trading journal web app using React, TypeScript, and CSS to help users log trades, track performance, and analyze profit/loss trends.
- Implemented data visualization with charts and interactive UI components for clear trade insights and performance tracking.
- Designed a responsive and user-friendly interface, ensuring smooth accessibility across desktop and mobile devices.

Prescripto | *Node JS, Express, MongoDB, React JS, React JS, Tailwind CSS* 

- online appointment booking website for doctor or hospital. In this hospital website we will add multiple doctors and user can filter the doctor with their specialty.
- User can choose the date and time slot within 7 days window and book the appointment with the doctor. also build the dashboard for admin and doctors.
- In the admin dashboard we can manage the bookings and admin can also create new doctors profile. Then we will build the doctors dashboard, where doctor can manage their profile, booking check their earning.

Certifications/Courses

Skill development program in Data Science

Oct. 2024

Issuing Institution: Fortune Cloud Technologies

Internship Cohort Program MERN Stack

Aug. 2023 – Feb. 2024

Issuing Institution: Road To Code

Education

Savitribai Phule Pune University

2022 – 2026

B.E. Information Technology - CGPA : 8.6,

Pune, Maharashtra

Maharashtra State Board of Secondary and Higher Secondary Education

2020-2021

Higher Secondary Education (Physics, Mathematics, Chemistry) - Percentage : 78.50,

Pune, Maharashtra
